BRIAN MATTHEWS ANNOUNCES RUN FOR PRESIDENCY

MANDAN, ND, OCTOBER 31, 2007: After an informal announcement on the organization's blog Monday, President and Chief Footwear Officer, Brian Matthews, announced his intentions to run for the office of President of the United States of America. It has been almost eight years since the head of Red Sneaker, Inc. has run for the office. This time it was going to be different. Mr. Matthews said, "Come on baby... Don't fear the Reaper. Baby take my hand... Don't fear the Reaper"

Truly inspirational words. Matthews went on to say, "Everybody was kung-fu fighting. Those cats were fast as lightning. In fact it was a little bit frightening. But they fought with expert timing." This confirms the radical views Matthews has on the war and homeland security.

Although no debates are currently scheduled, Matthews wanted to extend the offer by challenging his fellow running mates with a solemn, "Goo goo gah job."
